

## **Wisconsin Jury Instruction - Civil 200: BURDEN OF PROOF: ORDINARY**

Certain questions in the verdict ask that you answer the questions “yes” or “no”. The party who wants you to answer the questions “yes” has the burden of proof as to those questions. This burden is to satisfy you by the greater weight of the credible evidence, to a reasonable certainty, that “yes” should be your answer to the verdict questions.

The greater weight of the credible evidence means that the evidence in favor of a “yes” answer has more convincing power than the evidence opposed to it. Credible evidence means evidence you believe in light of reason and common sense.

“Reasonable certainty” means that you are persuaded based upon a rational consideration of the evidence. Absolute certainty is not required, but a guess is not enough to meet the burden of proof.
